

# Management consultant, 15k-20k

## DCC Company Profile

Deutsche China Consult (DCC) is a Beijing, HK and Germany based management consulting firm providing in-house legal, financial management, HR, M&A and investment management and other management services to German businesses in China. We are looking for full time management consultants.

## What you'll do

- Support the team in key German and European client projects in China
- Manage and run project parts or smaller clients independently
- Participate actively in internal improvement and management process
- Contribute to digital marketing initiatives
- Be located in the Beijing office (generally)
- Report to the Managing Director Hans Au (Beijing)

## What you need

- Outstanding university degree
- Excellent communication skills in English and Chinese
- 5+ years outstanding performance at a consultancy, foreign company or renowned enterprise
- Process and detail driven and ability to work to high standards
- Focus on either financial and investment management, or sales and procurement management, or business development and strategy
- Excellent analytical and conceptual skills and entrepreneurial mindset
- Team player with strong interpersonal skills
- Excellent client handling skills
- Willingness to travel (approx. 30% of time)

## What we provide

- A basic salary between 15000 and 20000
- A stable and well working team
- A growing and crisis-resistant business
- Learning from diverse clients and industries
- Consideration for your personal situation
- New opportunities through digital consulting and Europe-bound Chinese clients
